

Position title: University President

Application Deadline: 1st July 2018

Job Description

International University of Erbil, established in Erbil, Kurdistan, in 2009, is currently seeking an academic leader to serve in the role of university president starting in the 2018-19 academic year.

Candidates must hold a Ph.D. from a recognized higher education institution and have a minimum of 5 years of experience in management roles in academia.

Values and Principles

- A commitment to the development of faculty, staff, and students, and a proven track record of inspiring people and organizations through principled leadership
- A commitment to the institution's academic quality and to the role of scholarship, research, and creative works in the mission of the University
- A commitment to the student-centered mission of the University and an understanding of undergraduate, graduate, and professional student interests
- A commitment to academic freedom, tenure, and shared governance and an understanding of their importance to sustaining the quality of the University
- A commitment to equal opportunity and access and to the important role that diversity must play in educational institutions
- A commitment to student safety and welfare and a sensitivity to issues related to campus culture
- A commitment to and understanding of the value of a strong Division I intercollegiate athletic program
- A commitment to external constituencies including alumni, the Foundation, and the broader community

Skills

- Excellent communication skills
- Interpersonal skills to interact effectively with the various constituencies of the University, alumni, Foundation, media, and community at large
- Interpersonal skills to interact effectively with elected officials, governmental bodies, and the Board of Regents
- Ability to hire and build an effective administrative team

- Ability to foster an innovative environment that attracts high-quality faculty, students, and staff by stimulating creativity, research, teaching, and learning
- Ability to identify opportunities and to convert challenges into innovative solutions and programs that will advance the future of the institution
- Ability to promote a shared vision to address challenges and create opportunities, especially in the areas of student recruitment, research support, finances, and improvements to facilities and technology
- Ability to raise funds from private, state, and national sources and to articulate to external audiences the value of supporting the University
- Strong leadership skills in strategic planning and fiscal planning and management
